T-TIME WITH THE PRESIDENT

We had a good turnout and a great time at the CCMTTC meeting on August 22nd! I want to thank everyone who took the time and made the effort to attend. We were especially happy to welcome Eric and Nancy Nelson, our new members from Kanab, UT!

Russ gave us a final budget report from the Canyonlands III Tour, which includes a nice refund to all the participants! He handed out jackets to the workers, as well as shirts, pins, and mugs. Correspondence received from tour participants was passed around -- everyone who wrote had a wonderful time, and spoke in glowing terms about the beautiful scenery, and the way everything was so well organized.

Russ also handed out certificates from the Model T Ford Club International to our new charter members, as well as sharing the letter welcoming us to their organization.

Kathy gave an update on future tours and meetings -- we have some great ones coming up! Russ and Kathy are in charge of the Ashurst Lake camp-out which will be Sept. 11-13, featuring lunch at John and Montana's cabin in Payson on Saturday. Our next meeting will be on Oct. 17th at Russ and Kathy's house, followed by the highway cleanup. Harold and Karen Crutcher have a terrific tour already lined up for us on Halloween weekend! The touring season will end on Nov. 21-22, with Dave and Jeanie Chance's tour to Alamo Lake. Keep watching the T-Time for more information, and be sure to respond to the hosts for each event, so they have some idea how many people will show up!

It's a pleasure to be a part of such an active club -- we'll see you down the road!

Gary

T-TIME WITH MEMBERS

Eric and Nancy Nelson have already purchased a 1926 roadster. Nancy has learned to drive using instructions printed from the internet. Wow - impressive, Nancy! Eric will be driving next - hope they can join us on a driving tour soon.

Art Wimmer suffered a stroke approximately two months ago, but says he is feeling well. His medical tests indicate the need for either

stents or surgery, but his physicians have not yet scheduled the procedure. Art and Tommie plan to bring their motorhome and coupe to the campout this weekend - we've missed you!

John and Montana Renkema always work hard at their Camp Verde home, and have just completed construction of a large metal-framed shade for their motorhome.

T-TIME WITH MARILYN

Russ, Kathy and I have written refund checks to all paid participants of the Canyonlands III tour. They were mailed on Friday, September 4, so you should receive yours soon if you attended the tour. CCMTC has already received messages indicating surprise and appreciation, as most tours do not provide refunds.
